

Nursery and Reception Summer 1 – 2019-2020

Whole school topic - Ready, steady, cook

Literacy

Teaching ideas:

Keep a seed diary - record using pictures, words or sentences what is happening to something you are growing

Write a recipe - Draw or write a list of the ingredients you need. Talk or write about the order you need to do things in.

Understanding the World

Teaching ideas:

Investigation - look at different types of seeds

Practical - plant seeds and look after them as they grow

This is a nice idea - <https://teachingmama.org/germination-activity-grow-seeds-in-a-jar/>

Practical -cook with different ingredients including things you have grown if possible

Creative development

Teaching ideas:

Sing - sing topic related songs

Instruments - explore instruments, if you haven't got any have a go at making some of your own

Painting and drawing - make vegetable prints

Maths ideas will continue to come out separately.
