

Pupil Parliament Questionnaire

After we collected in the questionnaire we decided to act on some of the suggestions made by the pupils.

This is what we plan to do:

You said.....	We will.....
Not many children use our Worry Box.	Parliament members will talk to the classes and remind them about the Worry Box as another way to share worries and thoughts to make sure everyone feels safe.
The children would like more visits.	Mrs Worrall will make sure that teachers plan even more opportunities to go on learning visits from after Christmas.
Children would like a Reading Club, Maths club and a Chess Club.	We will look at running a reading club at lunchtime on a Tuesday from 12:30. We will look at starting up a Maths and Chess club after Christmas.
